Contact: [Natasha.Ponczek@austintexas.gov](mailto:Natasha.Ponczek@austintexas.gov)

**RFGA-001-LGBT-QoL-NPS**  
**LGBTQIA+ Affirming Mental Health Services**

**Section E**  
**RFGA Scope of Work and Application**

**Part 1. SCOPE OF WORK**

**I. Introduction**

The City of Austin (City) seeks applications in response to this Request for Grant Applications (RFGA) from qualified social service providers (Applicants) with demonstrated experience providing services to the lesbian, gay, bisexual, transgender, queer, intersex, asexual, gender non-conforming, gender fluid, genderqueer community (LGBTQIA+ population). Interventions must be designed with the target population's needs at the outset, with the goal to increase access to mental health resources for LGBTQIA+ residents.

**II. Background & Purpose of Funding**

On April 23, 2019, the Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Quality of Life Advisory Commission made the following Budget Recommendation to City Council regarding the Fiscal Year 2020 budget: "Support the stability and growth of organizations and businesses with: Existing services that provide LGBTQIA+ affirming mental health counseling in Austin; Programs [that] increase the number of LGBTQIA+ competent mental health care providers in Austin; [and] Projects that would expand access to LGBTQIA+ affirming mental health therapy."

The LGBTQ Quality of Life Advisory Commission provided the following rationale:

"In 2015, the Austin/Travis County Community Advancement Network reported that 19% of Travis County adults (over 165,000 people) reported poor mental health (five or more days of the last 30 with depression, stress, anxiety or other issues). The Community Health Improvement Plan recognizes the lack of mental health providers and resources in the community and has identified mental health as a key priority for Travis County. This Plan recognizes the need for providers who make patients from marginalized communities, including the LGBTQIA+ community, feel safe.

The average cost of a single psychotherapy session in Austin ranges from \$90-150 per session. A local LGBTQIA+ affirming counseling organization in Austin currently has a waitlist of almost 100 people due to the demand for these services. A local LGBTQIA+ youth organization serving ages 12-23 and another organization serving the transgender and gender non-conforming community each has a 30-person waiting list.

According to polling conducted by Gallup Williams Institute, the greater Austin area has the third largest LGBTQIA+ population per capita in the USA. QWELL Community Foundation's recent 'LGBTQ+ Wellbeing Survey of Greater Austin,' conducted in collaboration with Dr. Phillip Schnarrs, Associate Professor of Community-Based Participatory Research at Dell Medical School, collected data on more than 2,200 local adult LGBTQIA+ respondents. Of the 2200+ respondents, 400 were ages 18-25. In preliminary findings, nearly a third of these respondents felt anxious every day during the past week, and just under half reported feeling depressed the majority of the days of the week. Twenty-six percent of the respondents reported experiencing suicidal thoughts in the week preceding the survey.

Suicide is the second most common cause of death among 18 to 25-year-olds in the United States and research has consistently shown higher rates of suicidal ideation, self-harm, and suicide attempts among LGBTQIA+ youth compared to non-LGBTQIA+ peers. The LGBTQIA+ community's risk of suicide is six to eight times [that of] the general population, with transgender people, LGBTQIA+ seniors, and people of color at highest risk. QWELL's survey also found that only 17% of Austin respondents feel like valued members of the community. Studies show that lack of community connections is a direct cause of depression and other mental health issues."

**RFGA-001-LGBT-QoL-NPS**  
**LGBTQIA+ Affirming Mental Health Services**

On September 10, 2019, the City Council passed the Fiscal Year 2020 Budget which included the following Budget Item:

**Department: Austin Public Health**

**Mental Health Services: Expand access to affirming mental health therapy for the LGBTQIA+ community.**

**Commission: LGBTQ Quality of Life Advisory Commission**

**Funding Amount: \$100,000**

**III. Funding and Timeline**

\$100,000 total available funding.

Austin Public Health anticipates awarding one Agreement for the full amount.

The Agreement will have an effective start date of April 1, 2020, for an initial 12-month period, and four 12-month extension options funded at \$100,000 per extension option for a total potential Agreement amount of \$500,000 over a 60-month period.

**IV. Services Solicited**

The City is intentionally leaving program strategies open beyond the criteria listed in this section, allowing Applicants to propose solutions to meet community needs effectively and successfully for the target population(s) identified.

**Target Population**

Residents of the City of Austin or Travis County, living at or below 200% of the Federal Poverty Level, who identify as members of the lesbian, gay, bisexual, transgender, queer, intersex, asexual, gender non-conforming, gender fluid, gender queer community (LGBTQIA+ population).

**City of Austin Client Eligibility Requirements**

Residents of the City of Austin or Travis County who are either living at or below 200% of the Federal Poverty Level or identify as a member of the target population. Client eligibility must be documented, and any proposed alternative requirements explained. See Section G - Client Eligibility Requirements.

Any Austin/Travis County resident meeting the eligibility requirements can receive services funded by this opportunity including those who do not identify as members of the LGBTQIA+ population; however, it is expected that services provided through this funding will be designed for and directed to members of the LGBTQIA+ population.

**Best Practices**

The following publication by the National LGBT Health Center contains important information and resources on best practices for providing inclusive health services and care for the LGBTQIA+ community: <https://www.lgbthealtheducation.org/publication/learning-guide/>.

1. Understand Diversity and Fluidity of Expression
2. Maintaining a Non-Judgmental Attitude
3. Practicing Making LGBT People Comfortable
4. Create an Environment of Accountability

**RFGA-001-LGBT-QoL-NPS**  
**LGBTQIA+ Affirming Mental Health Services**

**V. Application Evaluation**

A total of 100 points may be awarded to the application with an additional ten bonus points available for a potential of 110 total evaluation points. All applications will be evaluated as to how the proposed program aligns with the goals of this RFGA and whether each question has been adequately addressed.

If an Applicant does not desire proprietary information in the proposal to be disclosed, each page must be identified and marked proprietary at time of submittal. The City will, to the extent allowed by law, endeavor to protect such information from disclosure. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to identify proprietary information will result in all unmarked sections being deemed non-proprietary and available upon public request.

**Exceptions:** Be advised that exceptions to any portion of the Solicitation may jeopardize acceptance of the application.

**Application Preparation Costs:** All costs directly or indirectly related to the preparation of a response to the RFA or any oral presentation required to supplement or clarify an application that may be required by the City shall be the sole responsibility of the Applicant.

**Agreement Adjustments:** The City of Austin reserves the right to adjust the Agreement amount or scope of work over the contract period based on community needs, Applicant's ability to expend funds in a timely manner or any other factor. When the City determines adjustments need to be made, the City will provide at least a 90-day notice to the Grantee.

# APPLYING FOR APH FUNDED OPPORTUNITY

## PART 1 - THRESHOLD REVIEW

### PARTNERGRANTS TRAINING

#### PURPOSE:

The purpose of this training is to assist a non-profit organization through the first of two application stages for available Austin Public Health funding within the PartnerGrants on-line contract management system.

The first step when applying for available APH managed funds is establishing an agency's organizational capacity to enter into a contract with Austin Public Health and the City of Austin.

If an organization demonstrates that essential non-profit organization standards will be met, the applicant will then be notified by email to return to the PartnerGrants system to complete the remainder of the application process. Should this occur, please review the instructions on [Applying for an APH-Funded Opportunity Part 2-RFGA Application](#) of this training.

#### REGISTERING AS A VENDOR:

All non-profit agencies need to be registered as a potential vendor with the City of Austin, if that has not already been done, the first step is to create a vendor account through the [City of Austin's Financial Online](#) system:

If you run into any challenges while completing the registration information for finance office, you can contact the City's Vendor Registration office at (512) 974 2018 for assistance. Once the process has been completed, please make note of your organization's assigned vendor code as this will be required once you return to register in the PartnerGrants system.

If you are unsure if your agency is already a registered vendor, you can search for the agency's legal name through the [Registered Vendor Search](#) website.

#### USING PARTNERGRANTS TO APPLY FOR A FUNDING OPPORTUNITY:

Log-in to the [PartnerGrants system website](#).

If you have not already registered in PartnerGrants, select the option to Register Here and complete the required steps.

The screenshot shows the login interface for the PartnerGrants system. It features a 'Log In' heading and instructions: 'Click HERE to use your City of Austin login' and 'If you do not have a City of Austin account please login by entering your User ID and Password below'. There are input fields for 'User ID:' and 'Password:'. A 'Log In' button is located below the password field. To the right of the login form is the Austin Public Health logo and a 'Register Here' button.

**LOCATING THE FUNDING OPPORTUNITY:**

Once logged-in, from the Main Menu, select Opportunity to bring up a listing of all available funding opportunities. From this listing you can select the posted Funded Opportunity title that you intend to apply for, if more than one posted opportunity is available, you are permitted to apply for each separately.

**NOTE: SINCE EACH FUNDED OPPORTUNITY CONTAINS DISTINCT DOCUMENTS, DEADLINES, OBJECTIVES, GOALS, ELIGIBILITY REQUIREMENTS, AND/OR EVALUATIVE CRITERIA, EACH IS TREATED INDEPENDANTLY FROM ANOTHER.**

Once you have selected the posted Funded Opportunity Title you intend to apply for , review and keep track of all Opportunity details, deadlines, attachments, and links. These will be necessary to help your agency prepare its application and manage its time wisely.

If you have a question during the Funded Opportunity’s question submission period, you can select the Ask A Question link to submit an inquiry and then select the Save button to forward it on for a response.

For the sake of fairness, once each question has been moderated, the question and response will be viewable for all other applicants to see.

**STARTING THE APPLICATION:**

If you are returning to complete an application you have already started, it will appear in the Current Application section. To continue editing, select your profile’s application title. Otherwise, select the Start a New Application button.

In the General Information Form, complete all fields, including a Project Title for your Application, select your organization, and then click on Save.
