Revised date

00840	09/27/19	<u>Construction Training Program Requirements</u>
--------------	-----------------	--

- "DOL-approved" references changed to "DOL-registered" where applicable
- Deleted the 10-year Graduate time restriction
- Added language detailing that workers enrolled in or graduated from DOL registered/approved training programs can be used to meet the Construction-Ready Trainee requirements
- Added language specifying that Graduates must not account for more than half of the training requirement
